

# JUNE 2026

## RIVER GARDENS RETIREMENT RESIDENCE NEWSLETTER

### PET THERAPY

Typically every Monday and Friday, residents can look forward to our Pet Therapy guests. Above (top), Ann enjoys some quality time with Hero. Above (bottom), Neville and his handler Cindy relax in the lobby. Be sure to stop by for a furry cuddle if you are passing through during their visits!

### RIVER GARDENS CLASSICS

Above, two River Gardens classics pose for a photo... long time resident Tom Campbell and a regular guest performer Randy Grey! Tom has been a resident of River Gardens since 2013 and Randy has been performing for our residents for over ten years — subsequently, their paths have crossed many times and over the years have become great friends. Their friendship has grown beyond River Gardens and they regularly play golf together during the season at the Stratford Golf and Country Club.

### TO CHAIR, OR NOT TO CHAIR?

That was the question for our GM Carri when her chair was out for repairs. Opting to go without and squatting at her desk (comfortably or not, we are not sure) didn't slow her typing down – well done Carri!

### LADIES TRACTOR CLUB CRASHES MEN'S BREAKFAST

Our Ladies Tractor Club (aka, Carri and Mary Lou) made a dramatic entrance at Men's Breakfast in May.

Wheeling in accompanied by Kenny Chesney's hit song "She Thinks My Tractor's Sexy", they happily joined Men's Breakfast – where the conversation often includes farming! Thank you Carri and Mary Lou for bringing even more laughs to our weekly event!

**SUNDAY JUNE 21ST**

*Happy*  
**FATHER'S DAY**

*to all the fathers who live and work at River Gardens!*

### POOL NOODLE FUN

What better way to celebrate the last of the snow disappearing than with pool noodles! Residents had a blast at our recent 1st Annual Pool Noodle Games – balance, coordination, strategy and teamwork skills were on full display during the games!

## JUNE Birthdays

In astrology, those born June 1–21 are **Twins of Gemini**. Perhaps because twins are born with a companion, Geminis love to communicate with others. They are clever extroverts who can make persuasive arguments.

Those born from June 22–30 are **Crabs of Cancer**. Crabs are very intuitive and sensitive to their environment. Their home is their sanctuary, and they are emotionally committed to family and loved ones.
